**Note:** The Indian Kennel Gazette subscribers are requested to note that every month, the Kennel club of India dispatches the Indian Kennel Gazette to all subscribers through ordinary post on a particular day. Subscribers may note that once the magazine is dispatched delivery is out of our control as the Indian post office does not provide any tracking number for the ordinary post. Such of those subscribers who are not receiving IKG through ordinary post, may contact your nearby post office and check with them. There is an option whereby a subscriber by remitting a further sum of Rs.600/- per annum would have their magazine sent by Registered Post.
